PROJECT AMAZONIA-HYDRO

The Strategic Crunch Points:

The Timeline Conflict

Jürgen thinks Thiago is disorganized and unprofessional;
Thiago feels Jürgen is cold and rigid

IP and Governance

A clash between the German demand for a majority voting split (70/30) and the Brazilian insistence on a joint board (50/50)

Task for the Agent

Analyze this situation from both cultural perspectives. Provide a concrete, step-by-step communication strategy for Dr. Jürgen Schulz to de-escalate the tension, adapt his style without sacrificing his core technical constraints, and salvage the joint venture before the upcoming meeting
